### HARMONIC

Registered embossed – wood grains, knots or cracks are accentuated by heights and depths in the surface structure and create exceptional haptics and optics.

### GENEROUS

The 1845 mm long plank of the wineo 700 accentuates large rooms. The L variant is perfect for all room sizes.

### PROFOUND

The V4 joint gives the room depth and the floor the authentic wooden floor character. All decors are available with a lacquered joint.
